Description: An enchanting four-hectare hacienda of refreshing greenery and blossoms, Montebello Villa Hotel is the only garden hotel in Cebu. Its sprawling gardens, two swimming pools, poolside bar, the restaurant, and 148 rooms reflect the richness and charm of Cebu's Hispanic heritage.

This is a perfect accommodation for leisure travelers, honeymooners, families, and those who come for work as the natural setting creates an atmosphere of romance and relaxation combined with luxury.

Guests may choose from a wide selection of sumptuous native and international dishes while using function rooms for corporate meetings and wedding receptions. With a business center in the hotel, seven badminton courts, a center for sport-specific strength and conditioning, plus a medical and cosmetic skin center located within the compound, Montebello Villa Hotel simply gives a perfect blend of business and pleasure.
