Description: Nestled in the heart of Cebu and opposite the famous Ayala Center Mall, the Red Planet Cebu is the ideal spot from which to discover the city. Just a 30-minute drive from Cebu's international airport, the hotel provides a wonderful cost-effective base to explore the island and is also within walking distance to the Cebu Business Park, where many of the island's international companies are based. Red Planet Cebu is home to 150 bedrooms with extremely comfortable queen-sized or twin single beds with Tune Hotel's famous duck-down quilts and pillows, providing a homey night's sleep. Every room also contains a power shower, ceiling fan or air conditioning, large flat screen television, Wi-Fi internet access, safe, and a hair dryer.

Interconnecting and wheelchair accessible rooms are also available. For your convenience, the hotel also has a 7-Eleven convenience store on the ground floor. The hotel's host of recreational offerings ensures you have plenty to do during your stay. With an ideal location and facilities to match, Red Planet Cebu hits the spot in many ways.
