Title: Pharmacy Cashierng Point-Of-Sale (POS) System Cebu
 Price: ₱ 45,000.00
 Description: Pharmacy Intelligent Management System (PIMS) computer [software](#) is a locally developed point-of-sales (cashiering) solution. FULLY CUSTOMIZED and ideal for retail stores specifically pharmacies, integrated to use a barcode technology for easier data entries. PIMS was developed by Software Programmers with extensive knowledge of Drugstore Trading Business in [Cebu](#) City, Philippines.

INCLUSIVES:

- Installation and set-up of the Program at the client server / workstation(s)
- Set of training sessions
- One year software warranty

*As back end management software, the POS should HAVE a Sales and Inventory Module which are priced separately. PIMS also have an option of integrating a Payroll and Accounting System.

WE DON'T PROVIDE HARDWARE, YOU WILL PURCHASE IT SEPARATELY.

1. WORKSTATIONS or Computer Sets (depending

on how many your pharmacy needs)

Specifications: Macintosh or Windows Operating System (2000, XP, Windows 7 or latest version), Intel (e.g. Core i3) Processor, at least 2 GB RAM
320 / 500 GB HDD

2. Cash Drawer
3. Receipt Printer
4. Barcode Scanner

PIMS was especially designed in a state of the art user-friendly interface for extremely easy to use by drug stores: Front liners, Cashiers and Management. The cashiers (via front liners) enter the actual sales transactions of the customer using this module. It uses the barcode technology by having a barcode interface that allows it to read SKU codes (EAN-13) quickly. This speeds up the entire sales transaction process thereby minimizing customer-waiting time.

Entry of payment and tender processing are accomplished within a minimal number of keystrokes only. Usage and operation of the POS System can be learned in one short training session and does not require extensive computer literacy from the user (employee). A different training session will be held for operating the Sales and Inventory Module.

*The POS System can be customized into other businesses like Agrivet Supplies, Convenience or Grocery Stores, Diagnostic Laboratories, Mobile Phone and Computer Shops, School and Office Supplies, Sporting Goods, Hardware and Electrical Supplies, Appliance Centers, Motorcycle and Bicycle Parts Shops, Auto Parts and Car Accessories, Book Stores, Salon or Barber Shops, Souvenir Shops.
