Title: I'm sharing my testimony! of how I finally got my

Description: My Name is Mrs Janet Booher, i live in Denver CITY, USA and life is worth living comfortably for me and my family now and i really have never seen goodness shown to me this much in my life as i am a struggling mum with two kids and i have been going through a serious problem as my husband encountered a terrible accident last Two weeks, and the doctors states that he needs to undergo a delicate surgery for him to be able to walk again and i could not afford the bill for his surgery then i went to the bank for a loan and they turn me down stating that i have no credit card, from there i run to my father and he was not able to help, then when i was browsing through Internet i came across a loan company Sawda Capital Finance who provides loans at an affordable interest rate and i have been hearing about so many scams on the Internet but at this my desperate situation, i had no choice than to give it an attempt and surprisingly it was all like a dream, i received a loan of \$300,000 USD and i paid for my husband surgery and thank GOD today he is okay and can walk and is working and the burden is longer so much on me anymore and we can feed well and my family is happy today and i said to

myself that i will shout aloud to the world of the wonders of GOD to me through this GOD fearing lending company Sawda Capital Finance and i will advise anyone in genuine and serious need of loan to contact this GOD fearing lending company through their office Email at: sawda.finance@gmail.com

Thanks
