Title: 3 bedroom house for sale near highway with malls a

Description: The place is in between Ayala and Mega world Property, Ayala EVO City around together with Mega World properties near it will enhance the property value of the area.
 It is not just a house but investment wise it will earn your money's worth !!!
 A three bedroom townhouse affordable and comfortable to live in to start a new family. If you're renting now, ask yourself how much money have you wasted on your rent money??? By now you are supposed to be in a house where you can call a home and you don't need to worry about your monthly rent, you can spend the money on other things...Isn't that GREAT!!! Let me help you in deciding where to invest!!!
 You need a house that is affordable, accessible, manageable and safe.
 There is a bus terminal inside the area going to Baclaran, Aguinaldo Highway, Alabang, etc. A total of 3 Malls you can choose from right now and soon 3 more malls to be built, a school within a 400-meter radius, a nice Church for all residential owners, country club and nearby hospitals. There is a development plan for more buildings to be built for commercial and offices alone.
