New resort. Build 2013. Very beautiful with lot of green grass. Beautiful clean pool. Room only 15 meters from beach. Cheap food. Breakfast only 100 p. Not

including price for room Very helpful staff here. A resort I absolutely should visit again if I go to this beautiful island.

Overall location is good. Beachfront faces White Island. Pool was ok, too. Basic rooms but clean. Wifi was reliable. A/C worked well. Good for large family on

a budget. Restaurant food was tasty and worth the wait.

Dreamland is one of the best resorts in Camiguin Island.. located near white island... you can order lots of foods but see to it that its better to order foods 1 hour

earlier coz its its always served late... thats the minus factor in this resort but then the place of the resort is really good with swimming pool.
