Title: Learning Japanese Language

Description: LETS LEARN JAPANESE LANGUAGE

If you want to learn the Japanese language (or "Nihongo" as it's called in Japanese) , you've come to the right place!

Our lessons can get you well on your way to learning how to speak, read, and write Nihongo. On us you will find such things as the Japanese alphabet (including Hiragana and Katakana) as well as Kanji (Chinese characters), vocabulary, grammar, sentence structure, and common words and phrases.

What sets us apart from other Japanese language courses or tutorials is that we actually teach you how to conjugate verbs and how to build your own sentences - things critical to learning how to speak fluently!

What you'll learn

Master vocabulary, grammar, and reading comprehension  
Be able to understand Japanese used in everyday situations  
Be able to read materials written clearly on a variety of topics, such as articles and commentaries in newspapers and magazines as well as simple critiques, and comprehend their contents.  
Be able to understand and speak topics of everyday situations as well as in a variety of settings.  
Be able to speak and understand advanced business Japanese.
