Listing details

Common

Title: Dieffenbachia seguine (Dumbcane)- Potted Plant
Price: 300.00
Description: 300.00 pesos for each potted plant

Dumbcane is typically grown as a houseplant. It requires medium light levels and moderate indoor temperatures. This plant can be toxic for pets and children.

This plant has an exotic appeal and has wonderfully shaped leaves with brush strokes of cream, yellow and white which enhance the shape of the leaves. The rich color of green with its brush strokes of color allow this plant to stand out and shout out to be seen in your home.
